SUBSTITUTIONS AND MODIFICATIONS ARE WELCOME!

WE'RE HAPPY TO COLLABORATE TO
TAILOR ANY INSTRUCTION SESSION TO
YOUR CLASS NEEDS.

SIDES

ELECTRONIC RESOURCES

200,000+ online resources that can be accessed anywhere - on or off campus

COURSE RESERVES

Collection of required texts for classes with shorter loan periods to make sure all students can get access when they need them

INTERLIBRARY LOAN

We can borrow materials from other libraries if we do not have access

OPEN EDUCATIONAL RESOURCES

Work with librarians to find, adapt, or create OER materials

POWERNOTES

Create citations, take notes, and scaffold assignments using PowerNotes

AI DESSERTS

AI BRAINSTORMING

Librarians can demonstrate ethical ways to use AI in the research processes such as using AI to brainstorm ideas for assignments

EBSCO CONCEPT MAP

OneSearch offers an AI powered concept map to assist in brainstorming and narrowing topic ideas

EVALUATING AI OUTPUT

Librarians can give a lesson on evaluating AI generated information covering concepts such as accuracy and authority

RESEARCH SCHEDULER

Input your due date and AI will breakdown your assignment into manageable steps to keep you on track

FACULTY FAVORITES

FACULTY RESEARCH SUPPORT

Librarians can assist faculty in finding sources, performing literature searches, and using interlibrary loan

GRANT PROPOSALS

Librarians can assist in research for grant proposals

COURSE DEVELOPMENT

Librarians can and should be included in course development especially in courses that have a research component
